

Brighton window

After providing several hands-on juggling demonstrations, Brighton Anythink Guide Aria Marco works on plate spinning one-on-one with one young visitor to the mySummer reading program kickoff on Wednesday at the library. Brighton was the first of the Anythink branches to kick off its summer program, with guests from Barr Lake State Park. Following a “Read, Think, Do” mantra, the libraries have teamed with Colorado Parks and Wildlife for activities this summer.

Heat is On: DUI checkpoints begin

The Adams County Sheriff’s Office again joins a regional effort with local law enforcement agencies, the State Patrol and the Colorado Department of Transportation this Memorial Day weekend with The Heat is On campaign, beginning Friday.

Last year, 332 DUI arrests were made in Colorado during the Memorial Day enforcement period, and the Adams County Sheriff’s Office will conduct a DUI saturation Friday.

“We want to make sure the roads are safe for traveling in Adams County. That is why it is important that people plan before drinking and

driving – whether that is having a designated driver or utilizing a ride-share service,” Adams County Sheriff Michael McIntosh said. “The DUI checkpoints show that the Adams County Sheriff’s Office takes impaired driving seriously.”

The Heat is On coincides with the national DUI campaign, “Drive Sober or Get Pulled Over,” which includes more than 10,000 law enforcement agencies across the country.

The Heat Is On campaign runs throughout the year, with multiple impaired-driving enforcement periods centered on national holidays and public events. Enforcement periods can include sobriety checkpoints, saturation patrols and additional law enforcement dedicated to impaired-driving enforcement.

Details about the campaign, including impaired-driving enforcement plans, arrest totals and safety tips can
